LETTER FROM THE CEO & DIRECTOR

On behalf of United Research Forum, UK we are pleased and delighted to welcome the organization of the Global Wellness and Integrated Health Congress With the sessions Pediatrics & Neonatal Care, Pharmacology & Toxicology, Psychology & Neuroscience, Cancer Science & Radiology at Hotel Crowne Plaza Deira, Dubai from 15 to 16 March, 2023.

Our goal is to providing an international forum where international scientists meet with scientists from the different fields of health care sectors to exchange ideas and information on current trends of research results and practical experiences. We are looking forward to welcoming all of you in Dubai and to have with you an excellent meeting with great scientists from different countries around the world and sharing new and exciting results in the different subjects of the conference.

We hope that you will enjoy your stay in Dubai and advice you to take this opportunity to visit the beautiful historical sites that you can find everywhere in the country. Finally, I would like to add my best wishes for a successful and fruitful conference and many thanks to our partners the organizers of this Conference.

A handwritten signature in black ink that reads "Dr. Vanga". The signature is written in a cursive, flowing style.

Sincerely,

Dr. Vanga

CEO, Director

URF, UK

LETTER FROM THE CHAIRMAN

I am truly excited for Dentistry 2023. I always am.

My warm thanks to the Director & CEO of United Research Forum Dr Vanga, for the opportunity of welcoming and addressing you. It is an honour and privilege. I am grateful that we will gather on March 15th-16th, 2023 in Dubai, South Korea to exchange ideas on “Dental and Oral Health Care”. The conference will cover a wide spectrum of presentations related to “Bridging Excellence in the field of Dentistry and Oral Health Care” It will feature internationally renowned speakers who will share, discuss, and dissect significant new developments and scientific advancements. They will also be sharing insights into cutting edge technologies that will impact the future of Research and Developments. So we are looking forward to a highly productive meeting of eminent materials science professionals from different countries around the world, I congratulate for your commitment, active participation and wish you all the success. We are going HYBRID bringing together in-person and online with more opportunities under one roof. My team and I continue to be grateful to the ICDDM - 2023 community for your continued trust and support, and we look forward to welcoming you in person as we enter a new era.

Each one of us can make a difference. Together we can make change

Sincerely,

Prof. Elvessa Narvasa
