

INTERNATIONAL CONFERENCE ON **DENTISTRY & DENTAL MATERIALS** MARCH 15-16, 2023 | (Hotel Crowne Plaza Dubai - Deira)

Dr. Monisha Ravishankar

Canadian board certified and DHA certified, Dubai, UAE

Graduated dentistry... What's next?

'The art of planning your future right - the best advice nobody gives you'.

In this lecture we would explore the wide range of possibilities as a must have guide for a dentist immediately after graduation. The various options include the why's and why not's of post graduation/specialty program Vs starting your own practice? Vs working as an associate? Vs moving abroad and qualifying?, or alternate career paths?, taking a break to be a homemaker or travel? Vs research & education along with some alternate options.

Setting the tone to a guidance platform for a strong future in dentistry! Reminding every dentist that this planning is going set the path to their entire lives. Based on the up selling principle - regardless of the ups and downs, You have to learn to enjoy it .. And how is that possible? Let me tell you..

The reason you are building your career is not just to make enough money for your retirement, it's also to be able to live well in the present. » Now let's get set to learn HOW?!

Biography:

Dr. Monisha Ravishankar, Over a decade of experience in the field of dentistry along with extensive continued clinical education and hands on training across the world. An experienced Canadian board certified clinician with great exposure and expertise in all aspects of Orthodontics in addition to restorative and aesthetic/cosmetic dentistry, digital smile design and laser dentistry.
